YOUR CARBON FOOTPRINT

Viridian allows you to track the carbon emissions you produce throughout your day.

Food

See how food is affecting your footprint! Did you know that having a more plant-based diet can affect carbon emissions?

Home

Track the amount of electricity you use everyday.

Transportation

Viridian will know if you are walking, biking, driving or taking public transportation.

COMPETE WITH YOUR FRIENDS

Friendly competition is never a bad thing! Compete with your friends to see who emits the least amount of carbon and who is most sustainable of them all.

Leadership board

How do you compare with your friends? These are the pounds you emit per day.

Average Canadian

How do you compare to your average Canadian?

FACTS, FACTS, FACTS!

See how you can lessen your carbon emissions and choose cleaner lifestyles.

Shrink your footprint!

View our tips on how you can reduce your footprint through the food you eat, the home you live, and the way you get from place to place.
